How to Order

Call our free telephone 0800 542 5150

One of our friendly team will discuss your requirements with you and provide you with a free no obligation quotation

If you order a computer system we will then deliver & install your computer, connect it to the internet & setup your printer so you can print wireless. Its as simple as that

If you order a TV package we will install your TV in an area of your choice either wall mounted saving space with one of our tilt and swivel TV brackets or simply on a neat TV stand and connect to an existing digital TV point, cable or SKY system

All our TV's are Smart TV's which mean they will connect wireless to the internet— no extra cables required and our technician will connect this for you

Please note for a limited period only we are offering a 10% discount on all orders
